

DAILY MEDICATION LOG

It is important to take medications exactly as the doctor prescribes them. A medication log can help you track the medication schedule and be sure that your loved one doesn't miss a dose.

TIPS

- If your loved one misses a dose, call the prescribing doctor or the pharmacist for instructions.
- Let the healthcare team know immediately if there are any side effects that result from taking a medicine.
- Make sure the healthcare team is told about any supplements, vitamins, or over-the-counter medications your loved one takes.
